December 2021

Dear Partners,

CASA for Douglas County and Friends of CASA are hosting their 2nd Annual CASA Classic golf tournament August 22, 2022 and would like to invite you to make a difference in a child's life by hosting a foursome and/or sponsoring the event. For nearly 24 years, CASA Volunteers have provided critical and life-changing advocacy to children in foster care. A CASA volunteer monitors a single case at a time and remains for the life of the case until a safe and permanent home is found. These volunteers are not experts in child welfare, but they are experts in care, compassion, and empathy. They bring hope to children trapped in a system that is overwhelmed and under-resourced.

For example, Nicole was appointed CASA for three kids in March 2019. Nicole is consistent in her advocacy for these children as has developed a special relationship with them over the years. The children report that Nicole is one of only two people in their lives that they can trust. From day one, Nicole listened to the kids' joys, needs, and challenges. Conversation always flows when the kids get to be with Nicole in person, virtually, or by phone. Nicole also takes time on her own to watch movies that the kids reference, so the four of them have plenty to chat about during the next visit. Nicole goes out of her way to show the children her unending support. We appreciate advocates like Nicole, whose empathy and consistency create a safe space for children to build trust.

Can we count on you to help a child in need? There are over 1,600 children in foster care in Douglas County alone. With your help, CASA will be able to train an additional CASA Volunteers, pay for a child to play football, provide support for educational goals, etc.

Last year's event was a huge success. Through sponsorships and foursome registrations, CASA was able to raise over \$30,000, in its first year. With your help, we can meet our goal of raising \$50,000 and become champions to some very deserving children.

Join CASA for Douglas County and Friends of CASA as we take a swing at providing a CASA Volunteer for every child in foster care who needs one.

Thank you in advance,

Kimberly Thomas
