November 2023

Dear CASA Classic Partners,

CASA for Douglas County has scheduled their 4th Annual CASA Classic golf tournament for August 26, 2024. We welcome the opportunity for you to support the mission of CASA while making a difference in the life of a child who has been impacted by the Child Welfare System. The ask is for you to host a foursome with some fun competitive play and/or be a sponsor. Please see attached sponsorship levels and the CASA Classic registration form.

CASA Volunteers provide meaningful, empathetic, and life-changing advocacy to children in foster care. A CASA volunteer supports children impacted by the child welfare system and remains involved for the life of the case with permanency as a goal. These volunteers are not experts in child welfare, but they are experts in care, compassion, and empathy. They foster hope for children to mitigate the trauma they are facing within a system that is overwhelmed and under-resourced.

It would be an honor to have you support the mission of CASA for Douglas County as well as the children we serve. There are over 1,600 children in foster care in Douglas County alone. With your support, CASA will be able to increase the number of volunteers trained to amplify the voice of child, meet their basic needs, to provide support for educational goals, and more.

This year's tournament was our biggest year yet! Through sponsorships and foursome registrations, we were able to exceed our \$50,000 goal by over \$10,000. This time, we're setting our sights on a higher goal. With your help, we can meet our goal of raising \$75,000 and become champions to children impacted by the child welfare system.

Join CASA for Douglas County as we take a swing at providing a CASA Volunteer Advocate for every child impacted by the Child Welfare System who is in need of consistent support.

Thank you in advance and we look forward to partnering with you in this work!
